Matt - you had indicated you were available for a call over the weekend. Does today at 4:00 eastern work for you?

Thank you,

Good afternoon - I am requesting an urgent phone call among the parties included here to reach a resolution to the concerns we have expressed today. Time is of the essence and I have yet to hear a feasible resolution option that would prevent having to file an action for a declaratory ruling first thing on Tuesday morning. Please advise immediately. - Leise
